2016

QUAIL PATRIOT OF TEXAS AWARD

DON ALLRED

AL ALLRED

Each year THE QUAIL-TECH ALLIANCE presents the Quail Patriot of Texas Award to an individual who has excelled in quail conservation and innovations to save our precious birds. This year we have two recipients that exemplify the philosophies of THE QUAIL-TECH ALLIANCE. **Al Allred** and **Don Allred** have motivated the Quail-Tech staff to develop GPS technology carried by wild birds into unlimited data which can provide ranch owners a game plan for quail success.

Congratulations to the Milliron Ranch of Wellington, TX and its owners **Al Allred** and **Don Allred**. The award was presented at last weeks Cross Timbers Quail Coalition banquet in Ft. Worth.
